## Things to do this week

BY ANNA DUPAS

### 8 REAL DEAL

June is the only summer month without a statutory holiday. But that doesn't mean you can't create one of your own with a three-day escape at Whistler's **Adara Hotel** (4122 Village Green), set in the heart of B.C.'s majestic mountain playground. The resort is now offering unbeatable deals throughout June for just \$79 per night, which includes your choice of either a deluxe queen room or a chic loft-style suite, both featuring walk-in rain showers, floating electric fireplaces, artful design details and, of course, stunning views of the postcard-perfect scenery. Just don't be surprised if weekend retreats become habit forming. For details, call 1-866-502-3272 or visit [adarahotel.com](http://adarahotel.com)
